Source: 60 FR 49715, Sept. 26, 1995, unless otherwise noted.

32.1000 Scope of subpart.

This subpart provides policy and procedures for performance-based payments under non-commercial purchases pursuant to subpart 32.1. This subpart does not apply to—

- (a) Payments under cost-reimbursement contracts;
- (b) Contracts for architect-engineer services or construction, or for ship-building or ship conversion, alteration, or repair, when the contracts provide for progress payments based upon a percentage or stage of completion;

- (c) Contracts for research or development: or
- (d) Contracts awarded through sealed bid or competitive negotiation procedures.

32.1001 Policy.

- (a) Performance-based payments are contract financing payments that are not payment for accepted items.
- (b) Performance-based payments are fully recoverable, in the same manner as progress payments, in the event of default. Except as provided in 32.1003(c), performance-based payments shall not be used when other forms of contract financing are provided.

- (e) Performance-based payments are the preferred financing method when the contracting officer finds them practical, and the contractor agrees to their use.

32.1002 Bases for performance-based payments.

Performance-based payments may be made on any of the following bases:

- (a) Performance measured by objective, quantifiable methods;

- (c) Other quantifiable measures of results.

32.1003 Criteria for use.

- (a) The contracting officer and offeror are able to agree on the performance-based payment terms;
- (b) The contract is a definitized fixed-price type contract (but see 32.1005(b)); and
